Zydus Cadila

ON

9th January 2016

for

Postgraduate Students

(Biotechnology/Microbiology/Chemistry)

Mehsana Urban Institute of Sciences:

Mehsana Urban Institute of Sciences have been established in 2006 with a mission to meet the educational needs of the youth in the area of professional studies in sciences and provide state of the art learning opportunities. The institute offers undergraduate and postgraduate programme various discipline Biotechnology, Microbiology, Chemistry, Physics and Mathematics. The institute has laboratories equipped with latest instruments, seminar rooms, class rooms with OHP and multimedia projector.

Zydus cadila

Zydus cadila is a fully integrated ,global healthcare provider, with strengths all along the pharmaceutical value chain. The group origin can be traced to 1952 when it was founded by Late Mr. Ramanbhai B .Patel ,a first generation entrepreneur and in 1995 the group restructured its operation and Cadila Healthcare came into being under the aegis of Zydus group. Zydus cadila today is spearheaded by Mr. Pankaj R. Patel ,Chairman and Managing Director of the group. Its aimed to be leading global healthcare provider with a robust product pipeline and aspires to post revenues of Rs. 10000 crore by 2015-16 and be research based pharmaceutical company by 2020.

Placement Summary

For the academic year 2015-16, Mehsana Urban Institute of Sciences organized its 1st Campus Recruitment drive for Postgraduate students of M.Sc. Biotechnology, Microbiology ,Chemistry and M.Pharm on 9th January 2016. The students were explained about employment, organization and there was great enthusiasm and excitement depicted by Mr. Purvish Patel ,HR Manager Zydus cadila. The Campus Recruitment Programme got overwhelming response from Post graduate Students (Biotechnology, Microbiology, Chemistry and M.pharm). Overall 56 Students (17 Biotechnology, 14 Microbiology ,07 Chemistry and 18 M.Pharm) participated for this campus.
